

**GREAT LAKES BAY
INVITATIONAL**

DOW GLBI TOURNAMENT MAGAZINE

July 12 – 17, 2021

@DowGLBI | DowGLBI.com

On behalf of Dow and our colleagues around the world, it's my pleasure to welcome you to the Dow Great Lakes Bay Invitational.

Dow is proud to host this event as we welcome some of the world's best golfers to the Great Lakes Bay Region. This is a special area and we're honored that you've chosen to attend and experience for yourself the many amenities the region has to offer. This tournament is an annual showcase event for our region. It was founded with a simple vision: build community and accelerate efforts to enhance our region by creating a world-class and unique LPGA Tour event that positively impacts people's lives. That's why this event incorporates much more than golf. We've worked hard to provide a week-long series of events

that celebrate golf, the Great Lakes Bay Region, and all the ways the two interact to make this region such a fantastic place to live, work and play.

While golf is at the heart of the GLBI, we've developed specific programming around the event to highlight Dow's important initiatives like sustainability, inclusion, innovation, and the uplifting power of science and technology (with a special focus on STEM for kids). Dow is especially proud of our weeklong focus to increase awareness of charitable contributions, volunteerism, and partnering with local business to support sustainable economic growth.

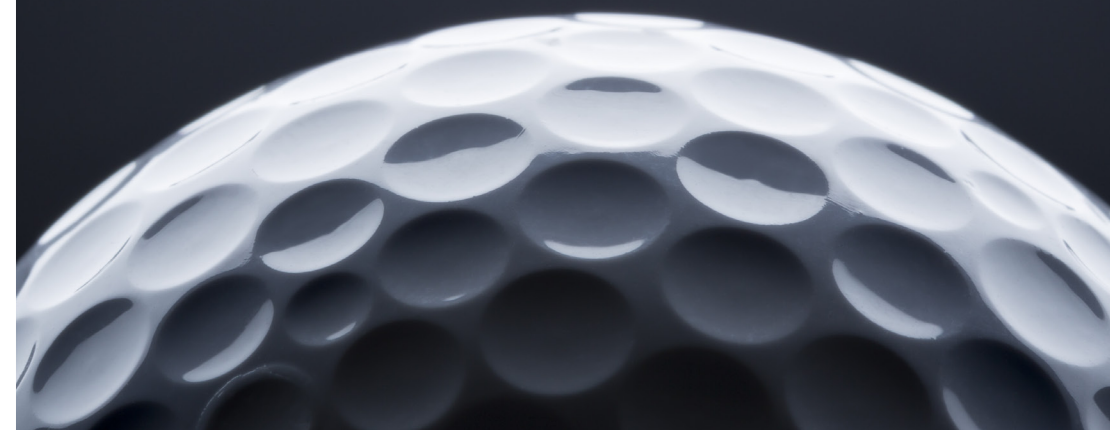

Thank you to all the LPGA players, our 250-plus partners and sponsors, over 1,000 volunteers, as well as our local business, educational and civic groups who have worked so hard to make this event a success. And thank you for becoming involved. Whether you're a golf fan, a family exploring the science and innovations behind golf, or simply someone looking for great food and a unique entertainment experience, we welcome you and hope you enjoy all this region has to offer.

Sincerely,

Jim Fitterling
Chairman and Chief Executive Officer, Dow

How does science revolutionize sports?

**Bringing
sports to life
through
technology
and innovation**

On behalf of the LPGA Tour and all its Members, WELCOME to the 2021 Dow Great Lakes Bay Invitational.

There's not a more exciting time than right now for women's professional golf, and I am honored to join the LPGA Tour as the next Commissioner during this period of unprecedented growth. Every day, we #DriveOn to preserve and expand what our 13 Founders started now more than 71 years ago. After a year that was disrupted by COVID-19, our members are competing in more than 30 events across North America, Asia and Europe, for over \$73 million in official purses.

Between the LPGA, Symetra and Ladies European Tours, there are players from more than 50 countries showcased in events around the world. The talent and poise they possess is something to behold. As talented as they are inside the ropes, each player may be an even better person off the course with an equally unique story to tell. We're showcasing our players and stories more than ever, with more than 500 hours of television coverage in more than 150 countries, setting a new standard for the LPGA Tour.

Whether it's the largest single prize in women's golf of \$1.5 million to the winner of the CME Group Tour Championship, or the Aon Risk Reward Challenge providing the season's most strategic player with \$1 million to match the PGA TOUR incentive, we look forward to a fantastic 2021 season featuring the most approachable athletes in all of sports. I promise, you will have a reinvigorated love for the game when you watch the best women in the world compete.

We want to extend a special thank you to Dow, Midland Country Club and the Great Lakes Bay Region. Without your inspiring vision, this tournament would not be possible. To all volunteers, tournament staff and fans, THANK YOU for supporting the LPGA, its players and our mission to Drive On.

Sincerely,

Mollie Marcoux Samaan
LPGA Fan and Commissioner

DRIVE ON™

Drive On is a journey that celebrates the attributes of strength, focus and perseverance that have built the LPGA for more than 70 years.

Join us throughout the year as we share stories of the people whose courage and accomplishments inspire us - on and off the golf course.

#DRIVEON

On behalf of Midland Country Club, we would like to welcome the participants, families and fans of the Ladies Professional Golf Association back to Midland Country Club. We are proud to host this unique team event with the best woman golf professionals in the world.

We anticipate over 35,000 fans coming to our beautiful property with millions watching the tournament from all over the world from the comfort of their own home. This year with a full fan base, we all certainly have something to celebrate. This year's tournament is being held July 14th through July 17th with pro-am events scheduled earlier this week. The Dow Great Lakes Bay Invitational brings thousands of fans and media representatives into our Great Lakes Bay Community. This tournament also greatly benefits local charities serving our wonderful area.

The Dow Great Lakes Bay Invitational has become a highlighted stop on the LPGA tour. It received the Golden Driver award for Best Social Media Campaign as well as runner-up honors for Best Foodie Experience and the LPGA Spirit Award, which is awarded to the tournament that best exemplifies the values of the LPGA and helps to grow the game of golf. For the 2021 tournament, the purse will be increased to \$2.3 million with the first-place team splitting \$559,000 This increase will give the tournament the largest purse on the LPGA Tour for an event that isn't one of the five majors, or the CME Group Tour Championship.

Midland Country Club Team Members, the Outlyr Team and the many volunteers and sponsors that make the Dow Great Lakes Bay Invitational a success every year deserve our thanks. The members of Midland Country Club have embraced this event to the fullest and the course and facilities are always in great shape. Local residents and golf fans donate thousands of hours for hole marshalling and the many jobs that must be done for a successful tournament.

The Great Lakes Bay region prides itself on being a great place to live, work and raise a family and the Dow Great Lakes Bay Invitational helps enliven and enrich the lives of our residents every year. The tournament brings the excitement of national attention to our community. Our residents are treated to competitive golf at the highest level and our young people see firsthand from the world class athletes that hard work and practice can lead to success.

We welcome you as we would welcome you to our home. Good luck to all the competitors, let's have a GREAT week.

Sincerely,

Todd Beals, CCM
General Manager
Midland Country Club

Since its founding in 1928, Midland Country Club has maintained standards for excellence through its heritage. The Club was founded to provide golf and other recreational and social activities for its members—which continues today!

Midland Country Club is a fully private facility that is proud to have a strong membership of over 900 members and their families. We host over 3,000 functions a year that include weddings and receptions, business meetings, corporate events, private dinners and more.

As a Club, our attentive staff strives to meet the needs of our membership and the Midland community they call home. With the Club located in the center of Midland, the Club provides beautiful scenery, superb facilities and focuses continually on member delight. Whatever phase of life you're in – working and raising an active family, retired and pursuing your passions, or some place in between – Midland Country Club offers a membership experience that fits into and enhances your lifestyle.

When the current Clubhouse was built in 2010, there was a conscientious effort to build a green facility that best served the local ecological needs. This same mission continues to strengthen and evolve both in conjunction with the Great Lakes Bay Invitational and our year round operations.

We welcome you to Midland Country Club!

Interested in joining Midland Country Club? Please contact Megan Pellerito, MCC Membership Director for more information.

Welcome to Michigan's Great Lakes Bay Region, the City of Midland and to the Midland Country Club, voted the number one venue by the LPGA Players in 2019. Our Region is beautiful and home to many large and small communities filled with friendly people who are eager to make you feel right at home. Whether you're visiting here specifically to attend the Dow Great Lakes Bay Invitational, are combining business with pleasure, are here on vacation, or have lived here for years, we welcome you and hope you find your time enjoying this tournament and our Region pleasant.

We encourage you to use the Dow Great Lakes Invitational Tournament app in combination with the GoGreat.com website to assist you in finding information and things to do while enjoying our destination. There are a variety of local dining and shopping options located here and the value is fantastic. You will have no problem finding a great meal— many

restaurants in the Region are literally world-famous and considered the best around! You can also choose from a combination of gift stores, antique stores, clothing, and traditional shops.

As for recreation, The Region offers a variety of options. There are, of course, multiple golf courses, parks and tennis courts, miles of walking and biking path options, the nation's longest canopy walk, and all the activities you can do on water. One of the nation's top 5 water park facilities and additional water parks with slides, zero entry pools and lazy rivers are located within our Region. We have some of the best freshwater fishing in the United States, with numerous records being set here.

We are home to great museums showcasing the area's history and highlighting our indigenous and emigrant populations, a firetruck museum and more. Our Region is also rich in Arts, Culture and Architecture, from the Midland Center for the Arts to many community theatres, festivals preserving and showcasing the traditions of multiple ethnicities, and fully restored examples historic Lumber Barron Homes to the mid-century modern Alden B. Dow Home and Studio. Over 130 different species of birds call our region home and do we have festivals! Festivals celebrating food, heritage, the amazing Michigan seasons, and racing draw thousands on a year-round basis. You will certainly need to plan a return trip to take it all in.

We hope you find Michigan's Great Lakes Bay Region a great place to live, work, worship and play and fall in love with this place we call - home.

Sincerely,

Annette Rummel, Ph.D./CEO

HOLE DESCRIPTIONS

sponsored by

HOLE 1
This great par 4 challenges you right from the beginning of your round. A good drive will still leave a very demanding approach into a small green. A collection area in the front right of the green allows for numerous possibilities.

HOLE 2
A solid tee shot is required down the left center of this fairway. Avoid the huge greenside bunker to the left on your second shot. Short right will leave an easier uphill pitch on the green that slopes steeply from left to right.

HOLE 3
The first of the two par 5's, this dogleg right has a straight forward tee shot. Favor the left side of the fairway with your second shot as the trees along the right come into play. About 110 yards from the green leaves you an open shot. The ridge in the green requires a properly placed third shot.

HOLE 4
This first of the challenging par 3's requires a well struck long iron to a two-tiered green. The right side is the spot to aim for, as this green slopes from right to left.

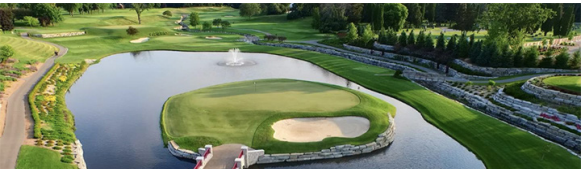

HOLE 5
Driver may not be the play here as a pond guards the front of this green. A fairway wood or long iron will leave a mid to short iron over the water and a great opportunity at birdie.

HOLE 6
Don't be afraid of this visually intimidating tee shot. Aim at the fairway bunker with a slight draw to leave yourself the best approach to this two tiered green. Second shot must be on the correct level to insure your two putt.

HOLE 7
This picturesque par 3 features an enormous green shared with hole #9. Protecting the green is a bunker in front and a creek to the right. Be sure of your distance and trust your swing. This green is deep so take notice of the pin location.

HOLE 8
A sharp dogleg left features one of the toughest tee shots on the course. Your tee shot is uphill, so favor the right side. Attempting to cut the corner is a high risk with a chance of being blocked out. Second shot requires a long iron to hybrid into a small green that slopes back to front. Short is a good miss.

HOLE 9
A tee shot of 220 to 240 yards is what you need here. The approach is slightly downhill so adjust club selection accordingly. Taking advantage of #9 is a must heading into the back nine.

HOLE 10
This shot makers back nine starts off with a narrow, tree lined hole that puts a premium on your teeshot. A good drive will leave a mid to long iron to a generous green. Approaching this green from the right leaves an easy pitch shot.

HOLE 11
The longest hole on the course requires two good shots down the left side of the fairway. The approach is difficult to judge because the green is deep, so the bunker is not a bad spot to miss your shot. Par is a good score on this difficult par 5.

HOLE 12
Just a 180-190 yard tee shot at the right center of the fairway will leave a short iron approach. Long hitters can go for the green but risk entering one of 4 punishing bunkers. Be precise on your approach to this challenging green. As architect Greg Schrinier says, "this could be the easiest par 5 on the course."

HOLE 13
This par 3 provides a beautiful view of the clubhouse and is placed right between the creek and the pond. Be confident in your club selection and pay attention to the wind around this well guarded green.

HOLE 14
What you see is what you get of the tee. Driver should leave a mid to short iron into a green that slopes from back to front. Stay short of the pin and allow yourself an aggressive putt at birdie.

HOLE 15
Aim at the right center of the bunker to give yourself the bes angle to the most challenging approach of the day. Club selection is critical into this small green, which slopes from back to front. Hit this green and have a short putt for birdie, miss it and you'll have difficulty making par.

HOLE 16
A lengthy par 4 which requires a drive down the right side to avoid the trouble. Approach shot will require a long iron into a deep green. The green is well bunkered so be careful and trust your swing.

HOLE 17
A true shot-makers hole, it's about 200 yards to clear the bunkers in the middle of the fairway. Drive on the left side of the fairway is ideal. With a bunker guarding the left side of the green and long grass over, short shots right will leave an easy up and down.

HOLE 18
The signature hole at Midland Country Club provides a breathtaking view. The tee shot requires the right distance and direction for a safe landing. This is a great finish to a wonderful golf experience. Don't forget to wave to the spectators on the deck.
